

Tournament Sign up and No Show Policy

The past few years we have had several instances of people signing up for tournaments after the cutoff date or signing up (or being signed up by friends) and then not showing up. This creates last minute shuffling of the flights, foursomes and sometimes partners. Only sign yourself up for tournaments.

The Men's Association Board of Directors along with WGC Management has instituted the following tournament policy:

- 1) There will be **no** sign ups after the cutoff date (Wednesday for a Saturday tournament, Thursday for a Sunday tournament).
- 2) If you are signed up for a tournament and you know you are not going to make it you **must** call the pro shop two days before the tournament (Thursday for a Saturday tournament, Friday for a Sunday tournament).
- 3) If you call less than two days before the scheduled tournament you will be ineligible to play in the next tournament (does not apply to the Invitational).
- 4) If you don't call at all and no-show the day of the tournament you will be ineligible to play in the next **two** tournaments (does not apply to the Invitational).
- 5) No-showing for unfavorable weather will follow rule 4 (unless the tournament has been cancelled).
